The Draft Vision for Community Wellbeing in <COUNTY/CITY/MUNICIPAL DISTRICT> for This and Future Generations

In <MONTH>, <PPN NAME> brought community groups in the <MUNICIPAL DISTRICT/ COUNTY/ CITY NAME> together to develop a shared vision for community wellbeing in <NAME OF MUNICIPAL DISTRICT/ AREA>.

Through <this meeting or these meetings> and an online consultation community groups were asked what their aspirations were for the community for generations to come.

Responses were under the headings of:

- Social and Community Development
- Participation, Democracy and Good Governance
- Values, Culture & Meaning
- Health (Physical and Mental)
- Work, Economy & Resources
- Environment & Sustainability

are listed in the consultation documents which can be found at <give webpage source> or requested in hard copy from <Name and Contact Details>. These contributions have formed the Draft Vision for Community Wellbeing in the Baltinglass Municipal District (attached). This guiding Vision will inform the work of our PPN Representatives on county policy and decision-making bodies as well as supporting the development of our <Name of PPN> Strategic Plan. (Specific issues raised through this process are being referred to the relevant PPN Representatives)

Member groups are now invited to comment on the Draft Vision for Community Wellbeing using the form overleaf or online at <give web address for consultation inputs>. Responses should be received by <Time, Date>.

Thank You for your continued contribution.

<NB Attach a copy of the Draft Vision>

More information on the Vision for Community Wellbeing and the process being used to develop it can be found at <Insert web address> or requested from <PPN phone & postal contact details>.
