AGENDA

Social Justice Ireland's Mission (Strategic Plan 2020-2025, page 5):

We work to build a just and sustainable society.

We do this by:

- **Researching** to produce coherent, independent, evidence-based social analysis which:
 - identifies policy pathways towards a just and sustainable society,
 - addresses the structural causes of injustice, whether these be economic, political, cultural or social, and
 - promotes core societal values of human dignity, sustainability, equality, human rights and the common good.
- **Communicating** our analysis and that of others, to inform the public, academia and politics, and to advocate for a just and sustainable society across all relevant local, national and international public policy areas.
- **Empowering** other societal actors, by facilitating initiatives and working in partnership with citizens, organisations and institutions which share our goals, whether in Ireland, the EU or globally.
